“LEAVE A LEGACY” is a campaign to inspire people like you to make charitable bequests. Bequests are just one type of “planned gift” – a gift that will be distributed sometime in the future – to a charity that is meaningful to you. Through LEAVE A LEGACY, people who have made charitable bequests and other types of planned gifts share their experiences in the hope of encouraging others to give.”

Have you included LEEP in your estate plans? Please share with us your intentions, so we can plan for the future. For more information regarding estate planning, please view www.leavealegacymankato.org or email Ann Stewart at acstewart@hickorytech.net.
