

LEEP Participant Code of Conduct | 2020

LEEP prides itself in providing high quality recreation, sporting, and healthy living opportunities to enhance the lives of individuals with intellectual and developmental disabilities. The purpose of this Code of Conduct is to establish a high standard of participant behavior which will ensure the safety and well-being of all LEEP participants, volunteers, and staff. When representing or participating in LEEP programs, all participants will obey the Participant Code of Conduct as well as state and federal laws. This includes while being transported to and from a LEEP activity/event/program. A violation of this Code in any way by a participant will be assessed on a case-by-case basis, and a decision regarding participation in future LEEP programming will then be made.

Disciplinary Actions for Not Following Participant Code of Conduct

The following progressive disciplinary actions may be taken by LEEP and are dependent on the nature of the incident. Area Coordinators and Heads of Delegations must involve Special Olympics Minnesota state office staff prior to suspension or release of participant. Please note that this is a basic guideline that LEEP will follow, however, each incident is reviewed on an individual basis.

Action One: Verbal warning given to the participant and Verbal Warning Form filled out and filed in LEEP office.

Action Two: Behavior Incident Report Form filled out and filed in LEEP office with notification of behavior to participant's parent/guardian/staff. Form will also be sent to parent/guardian/staff.

Action Three: Personal meeting with participant to review unacceptable behavior and develop a plan for improvement.

If participant is under 18, they will be accompanied by their parent/guardian or caseworker.

If participant is over 18, a third person selected by the participant will attend the meeting. The meeting will be documented in writing and copies distributed to the participant, parent/guardian/staff, the LEEP office, as well as the Special Olympics state office (if needed).

Action Four: Suspension or expulsion from activities/events/programs, including practices or competitions for Special Olympics, during the specific sports season or competition year. The action will be documented in writing and copies will be distributed to the participant, parent/guardian/staff, the LEEP office, as well as the Special Olympics state office (if needed).

This Participant Code of Conduct has been made in LEEP participants' best interests to make LEEP programming successful, safe, and enjoyable for everyone. LEEP's goal is to ensure that each participant is able to participate and/or compete in a safe and welcoming environment. Thank you for your cooperation.

LEEP participant should keep this for his/her records.

LEEP GENERAL INFORMATION AND MEMBERSHIP POLICIES

BACKGROUND INFORMATION:

Leisure Education for Exceptional People, Inc. (LEEP) enriches the lives of individuals with developmental and intellectual disabilities by providing inclusive recreation, sporting, and healthy living opportunities. Since 1978, LEEP has offered a variety of activities/events/programs to meet the needs of its participants. The following is a list of categories under which numerous activities/events/programs are offered: Special Olympics, night activities, clubs, LEEP leagues, special events, and excursions.

Membership and Forms:

To participate in any of LEEP's activities/events/programs, all individuals are asked to pay a small yearly membership fee (January-December for everyone) and complete a LEEP Participant Information Form each calendar year that will be kept on file. This form provides LEEP with helpful background information on each participant as well as basic medical information and emergency contact information. **Every member will be asked to fill it out each calendar year to ensure that the information is current.** Please fill this form out completely and return to LEEP. Should any information listed change (i.e. address, primary staff/guardian, health information, etc.), LEEP asks that participants be sure to let the LEEP office know. To obtain a copy of the LEEP Participant Information Form, please call or stop by LEEP or find it on the website at www.mankatoleep.org.

If the first LEEP activity one participates in is in July, for example, then the full annual membership fee must be paid prior to registering for and participating in that activity in July.

Program Registration:

Once all necessary forms are completed and the current year membership has been paid, registering for programs is easy. All paid members will receive a monthly paper newsletter, which lists all the activities/events/programs available at that time. Newsletters and a monthly calendar are also available online at www.mankatoleep.org.

ALL LEEP activities/events/programs require prior registration. Payment is also preferred prior to the activity/event/program. Walk-ins/drop-ins are not allowed and participants will likely be asked to leave.

Options for Registration:

- Call 507-387-5122
- Mail registration form to LEEP (929 N. 4th St.; Mankato, MN 56001) from monthly newsletter with payment

answers the phone. LEEP will call back to confirm registrations during regular business hours, which are Monday – Friday from 8:30 a.m. – 4:30 p.m.

No Waiting List:

Some programs do fill quickly so LEEP suggests registering as soon as possible. If a program is full, LEEP staff will no longer be keeping waiting lists for activities/events/programs.

Special Olympics Participation:

To participate in Special Olympics sports athletes must complete an Athlete Application for Participation. All sections must be completed and signed. The form also requires a medical physical and a doctor's signature. Forms will not be accepted if not fully completed. Once completed, the application must be turned into the LEEP office in a timely way and LEEP will submit the form to Special Olympics Minnesota. This application does not guarantee participation in Special Olympics sports until official word is received from Special Olympics Minnesota.

Forms must be updated every three years to continue participation in Special Olympics. Athletes will not be allowed to participate in Special Olympics practices or tournaments without a current application on file.

Special Olympics Minnesota also runs a background check on all athletes and volunteers to ensure the safety of all participants.

Form of Payments Accepted:

LEEP accepts cash, checks, and credit/debit cards for payment. Credit/debit card payments will incur a minimal convenience fee and must be processed in the LEEP office during regular business hours, which are Monday – Friday from 8:30 a.m. – 4:30 p.m. **Credit/debit card convenience fees are not refundable even if the participant cancels in a timely way.**

Activity/Event/Program Payments:

Participants pay a small fee for activities/events/programs, however LEEP does subsidize some of the expense. Program fees must be paid in full for each program before or on the date of event. Payments may be mailed in advance to LEEP or brought in person to the activity/event/program. Receipts will be provided upon request. No pre-payment will be accepted for unpublished activities/events/programs.

Financial Help:

Scholarships:

LEEP recognizes that participants look forward to their favorite activity/event/program, but sometimes financial resources are limited. Individuals may come into the LEEP office and fill out a short scholarship form before the event and get up to 50% of their costs covered for an activity/event/program. This can be used for special events, night activities, clubs, and Special Olympics sports. Scholarships do not cover transportation at this time. Applications can also be found online at www.mankatoleep.org. All scholarships are given at the discretion of the Executive Director. Scholarships are limited per event. **Please Note: Scholarships may not be used for LEEP membership dues or excursions and cannot be used to pay for an outstanding balance on a participant's account.**

LEEP participant should keep this for his/her records.

If a LEEP participant finds him/herself in a difficult financial situation, please call the LEEP office and the LEEP staff will work to assist with financial arrangements. Payment plans can be established in a timely way if needed.

LEEP Cancellation Refund Policy:

If LEEP cancels an activity/event/program for any reason, registered participants who have paid will receive a credit in their account. LEEP asks that participants use the credit for other LEEP activities/events/programs in a timely way.

Special Event Late Fee:

A \$5 late fee will be assessed for special events that are not paid by the date that the activity takes place or starts.

A monthly finance charge of \$5 will be assessed on accounts with an outstanding balance. A hold will also be placed on the participant's LEEP account until the past due amount is paid. Participants will not be able to register for any LEEP activities/events/programs until their balance is paid. Participants who have accounts that are paid or are on a pre-arranged payment plan will not receive a monthly service charge. LEEP encourages participants/guardians/staff to reach out and set up a payment plan when there is an outstanding balance.

LEEP participant should keep this for his/her records.

Credit/debit card payments will incur a minimal convenience fee and must be processed in the LEEP office during regular business hours, which are Monday – Friday from 8:30 a.m. – 4:30 p.m. **Credit/debit card convenience fees are not refundable.**

If a check is returned by your financial institution for any reason, a \$25 charge will be assessed. LEEP reserves the right not to accept a check for payment from anyone who has previously had a returned check for any reason. Checks returned for any reason and not paid in full within 14 days of notification may result in further action being taken by LEEP. A participant will not be able to register for any LEEP activities/events/programs until the returned check is resolved.

Transportation Policy:

Pick-up/drop-off transportation for designated events is offered for a small fee to participants living within the area outlined in blue on the map. Participants that wish to use LEEP’s transportation services but live outside of the designated area should contact LEEP to learn the location of the designated stop closest to them. The address provided by participants at the time of registration will be the only pick-up and drop-off location used for the duration of the club, league, or Special Olympics season. LEEP staff will wait no longer than 5 minutes at each stop. LEEP is unable to accommodate any changes to pick-up/drop-off locations or times.

LEEP participant should keep this for his/her records.

Assistance with Medication/s:

All medications that LEEP staff must hold during activities/events/programs should be prepackaged in individual envelopes with detailed directions and handed directly to LEEP staff. A “Consent to Dispense Form” must be completed and signed by staff/guardian for each individual participant. LEEP staff are not certified to administer medication, but LEEP staff may dispense individually prepackaged prescription and over-the-counter medications.

Participants should have a plan on file with LEEP so LEEP staff know what steps to take for those with known medical conditions that require emergency treatments. LEEP is not able to administer seizure rescue medications, administer epipens/auto-injectors, or use any medical devices necessary for treatment during a medical emergency. The emergency treatment prescribed for participants should always be with the participant at activities/events/programs so that first responders are able to treat the participant in a timely way.

Any questions about medications should be asked well before participation in LEEP activities/events/programs to ensure that the proper plan is in place should the participant experience a medical emergency.

Participant Supervision:

LEEP is not responsible for supervision of participants before or after designated program start and end times. **Parents/guardians/staff should note that it is their responsibility to ALWAYS check participants in with LEEP staff as well as to pick up participants at the scheduled end of the activity/event/program.**

Parents/guardians/staff must be available to be contacted at any time during an activity/event/program for emergency purposes.

At any time, if LEEP staff feel they cannot provide safe, appropriate supervision during a program, LEEP reserves the right to contact parents/guardians/staff and require them to pick up the participant from an activity/event/program. If there are ongoing concerns, LEEP may require that the participant have a parent/guardian/staff accompany him/her to future activities/events/programs.

LEEP is not a primary care giving organization. LEEP staff are not trained in the areas of personal cares, behavior management, physical interventions (holds), or medication administration. LEEP participants who have needs in these areas are required to have a parent/guardian/staff present at activities/events/programs to ensure their individual needs are met. Personal care tasks include but are not limited to: assistance with toileting, personal hygiene, feeding, cleaning/bathing, dressing, etc. If LEEP recognizes a change in a participants’ needs over time, LEEP staff will reach out to parents/guardians/staff to have a conversation about their observations and how best to meet the needs of the participants in the future.

LEEP may require any participant who has had a history of physical aggression or inappropriate sexual conduct to be accompanied by a parent/guardian/staff to all LEEP events.

The LEEP Board of Directors and/or the Executive Director reserve the right to review each LEEP participants’ needs on an individual and ongoing basis to determine the appropriate supervision needed to ensure the safety, wellbeing, and enjoyment of all LEEP participants.

LEEP participant should keep this for his/her records.

LEEP Participants Who Need Physical Assistance:

If LEEP participants need physical assistance to safely participate in LEEP activities/events/programs, they need to bring a parent/guardian/staff to assist them. LEEP is not able to lift, position, or transfer participants; provide significant assistance to participants getting in or out of the LEEP van or other means of transportation; or regularly assist those with significant balance issues whether or not they use assistive equipment (wheelchairs, cane, crutches, hand crutches, walker, etc.).

Assistance with Spending Money:

LEEP offers participants optional oversight of their spending money. LEEP requires participants who need assistance with money management to turn in all funds and the Spending Assistance Form to LEEP staff at program check-in. The form will help LEEP staff to document and track expenditures of the participant and funds will be placed in an individual envelope with the participant's name. This form is available at LEEP.

LEEP Staff will not assume responsibility of a participant's money unless the form is completed and signed. Participants may choose to handle their own money independently without any assistance from LEEP staff.

Excursions:

Deposits:

LEEP will only accept deposits for an upcoming LEEP excursion that has been published. All excursions will require a deposit to hold a participant's spot. An excursion spot will not be held without a deposit. Deposit amounts vary based on planned excursion locations and the overall cost.

Full Payments:

The full excursion fee must be received by the final payment date listed for each excursion. **A \$50 late fee will be assessed for any payments not received prior to the final payment date. Participants who have not paid for their excursion will not be allowed to travel with LEEP.**

Participant Cancellations:

If a participant chooses not to go on the excursion s/he originally signed up for and cancels before the final payment due date, s/he will receive his/her deposit back, less a 20% administrative fee. Deposits and/or full payments will not be refunded after the final payment due date has passed.

LEEP Cancellations:

If LEEP cancels an excursion for any reason, participants will be offered other excursion opportunities when available. If no excursion is taken, LEEP will reimburse the amount a participant has paid **minus credit/debit card convenience fees. Credit/debit card convenience fees are not refundable. Any purchase of trip insurance through a travel agency or LEEP will also not be reimbursed.**

Participants Prepared to Participate:

LEEP requires that participants are properly prepared and dressed to participate in LEEP activities/events/programs. Participants should be dressed appropriately for the anticipated weather and have any other items they need to help keep them safe and healthy. In winter participants should be dressed in a winter jacket in addition to wearing winter boots, a scarf, mittens/gloves, a hat/earmuffs, etc. During summer and warmer,

LEEP participant should keep this for his/her records.

more humid months participants should be dressed in cooler clothes (shorts, t-shirts, etc.) or light-weight clothing that blocks the sun; and have a hat, sunglasses, sunscreen, insect repellent, etc. as needed. Layering of clothing is a good idea, especially during activities/events/programs that last for several hours or more, as well as when participants are on LEEP excursions. When possible, LEEP participants should bring water bottles filled only with water and labeled with their names to help them to stay hydrated at all times.

LEEP staff members reserve the right to send participants home without participating in the activity/event/program if they are not properly prepared or dressed for the activity/event/ program and/or the anticipated weather.

Policy Enforcement:

By signing and witnessing the signing of the Participant Information Form annually, LEEP participants and parents/guardians/staff agree to follow the LEEP Participant Code of Conduct and all membership policies listed above. The Executive Director will have discretion to interpret the policies and make final determinations in unique situations that may arise.
