

# Scholarship Program

## 2022 Application Rules & Regulations

Scholarships are available to current LEEP members and are meant to provide those that are unable to afford programming the opportunity to participate. LEEP does ask each participant to carefully consider their financial needs prior to applying for scholarships.

### **Eligibility to Receive a Scholarship:**

1. Scholarships must be requested in advance of the activity.
2. A scholarship can be utilized for any programs including: clubs, night activities, special events, and Special Olympics sports. Scholarships are not available for LEEP Elegance or excursions.
3. A LEEP participant must have an account in good standing (up-to-date on payments and/ or are currently up-to-date on a payment plan) to qualify for a scholarship.
4. A LEEP participant must have a current LEEP membership paid. (*Scholarships are not available for membership*).
5. Each individual is eligible to receive up to \$200 per year in scholarships.
6. Each scholarship may equal up to 50% of any activity fee at a single time.

### **Rules of Receiving a Scholarship:**

1. Must attend all programming sessions (including all practices/tournaments) associated with scholarship.
2. If an activity is missed without a prior cancelation, or approved reason, the participant will need to reimburse LEEP for the cost of that particular pro-rated activity. Examples may include: unexcused special event, which would be the cost of the event; an unexcused club would be the scholarship cost of one session.
