

Scholarship Program 2026

Application Rules & Regulations

Scholarships are available to current LEEP members and are meant to provide those that are unable to afford programming the opportunity to participate. LEEP does ask each participant to carefully consider their financial needs prior to applying for scholarships.

If there are any questions about scholarships, please call 507-387-5122 or email info@mankatoleep.org.

Eligibility to Receive a Scholarship:

1. A LEEP participant must be a current member of LEEP.
2. Scholarships should be requested when starting or renewing one's membership or before a specific activity/event/program/sport begins.
3. A scholarship can be utilized for ongoing membership as well as other activity/event/program/sport fees.
4. A LEEP participant must have an account in good standing (up-to-date on payments and/or are actively participating in a prearranged payment plan) to qualify for a scholarship.
5. Each scholarship will be determined by the executive director based on an individual's current situation and needs.

Rules of Receiving a Scholarship:

1. Must attend all activity/event/program sessions (including all practices/tournaments) that you sign up for.
2. If activities/events/programs are missed without prior cancelation or approved reason, the participant may be asked not to sign up for a period of time so that others have an opportunity to sign up and attend. Examples may include: unexcused absence at a night activity or special event.
